Sponsored by Kentucky Annual Conference Center

7400 Floydensburg Road, Crestwood, Kentucky 40014

Description

The Transitional Intentional Interim Ministry Training Seminar (TIIMS), a three-phase event spanning six months, is led by a National Lead Trainer for Interim Ministry of the United Methodist Church.

Phase I is a four-day training event designed to:

- sharpen one's general ministry skills,
- provide new insights for working as a change agent,
- introduce tools and techniques for use in short-term leadership,
- and orient one towards "intentional" ministry.

Includes the introduction of the "C.P.R.," Intentional Interim Ministry Specialists "Change Process Report."

Phase II continues for four to six months in one's home church or extension ministry, during which time the insights learned in Phase I are practiced in a mentored relationship with the Seminar leader.

Phase III is a two – three day gathered event when theory and practice are more fully integrated using the Change Process Reports prepared during Phase II as case studies and the basic tools introduced in Phase I are reviewed for deeper understanding.

TIIMS or Seminar is the short-hand term for this entire three-phase experience—a Transitional Intentional Interim Ministry Training Seminar.

A Seminar is made up of 1-2 leaders and up to 20 participants, ideally.

The lead trainer will work for four to six months with up to 20 experienced, mature, productive clergy who are now making themselves available to help churches with special congregational needs.
