invites clergy/laity from any denomination
to reach for excellence at the

TIIMSA VIRTUAL GATHERING MAY 10-11, 2022

Featuring Keynote Speaker
REV. SUSAN BEAUMONT

In her book, **HOW TO LEAD WHEN YOU DON'T KNOW WHERE YOU'RE GOING**, Susan defines *LIMINAL* as "a quality of ambiguity or disorientation that occurs during *transitions*, when a person or group of people is in between something that has ended and something else that is not yet ready to begin."

Her keynotes will present leadership tasks appropriate for these in-between times, blending sound organizational practices with a contemplative attitude of wonder and openness to discover and explore the soulfulness of an organization, such as a local church. We'll consider: clarifying institutional purpose, shaping institutional memory, deepening communal discernment, and nurturing emergence.

As a consultant, coach, author, and spiritual director, Susan has worked with hundreds of congregations and denominational bodies across the United States and Canada. She currently teaches at Wesley Theological Seminary.
