**The Transitional Intentional Interim Ministry Training Seminar (TIIMS)** is a rigorous three-phase event spanning approximately 4 - 8 months. United Methodist TIIMSA-credentialed and UMEA approved Lead Trainers (LT) provide the Seminar leadership.

**Phase I** is a 3 ½ day training event designed to:

- sharpen one's general ministry skills,
- provide new insights for working as a change agent during transitional needs,
- introduce tools and techniques for use in short-term leadership, and
- orient one towards "intentional interim" ministry.\*

**Phase II** is the opportunity for seminar participants to employ Phase I concepts and strategies, which continues with LT mentoring for each seminar participant in their ministry setting.

**Phase III** is a 2 - 3 day on-site event which integrates TIIMS theory and practice using the Change Process Reports prepared during Phase II as case studies. Upon completion of this seminar, the participant will earn Certification as a Transitional Intentional Interim Ministry Specialist. In addition, participants may take an additional course with Perkins - Adaptive Leadership, to receive a Perkins Certificate in Practical Ministry.
